SITE SKETCHPAD

Site sketch, by hand

PROPERTY	PARISH	DATE
SKETCHED BY	FOR Job / Report / Own record	REFERENCE

Not to scale, and no dimensions. This is an indicative sketch to show layout and where things are. Describe size in words ("about the width of a door", "most of the wall"), never in metres or feet. A measured drawing is a surveyor's work.

Key

MARK	MEANS
Single line	Wall
Gap in the line with an arc	Door, and which way it opens
Three short lines across a wall	Window
Circled number with an arrow	Where a photograph was taken, and which way the camera faced
Letter in a triangle	A finding, keyed to the list overleaf
W	Water tank. T Septic tank or pit. E Electric meter or board.
Dotted line	Could not be reached or seen
